SUMMER READING 2018

Welcome to Kindergarten!

Reading can be one of the fun activities children can choose to fill their summer time. Summer reading is essential for all students of all ages. By reading over the summer with your kindergartener, you can help your child get ready for the new school year.

Please read: **A Color of His Own** by Leo Lionni with your child.

Have your child color the attached handout and label the colors he/she chooses to use.

All work is due the first full week of school.
