SUMMER READING 2019

Welcome to third grade! Reading can be one of the many fun activities children can choose to fill their summer time. Summer reading is essential for all students of all ages. By reading over the summer, children can avoid the “summer slide” or gap in academic skills when they return to school in the fall. Third graders are required to read **2 books** and to complete the attached story map for each book. All work is due on first day of school, Wednesday, August 21, 2019 or no later than Friday, August 23, 2019.
